Subject: Minutes October 11

Approval of September meeting minutes were postponed because Martha was absent.

There was a discussion about some feedback from the select-board on the survey. Jesse, our NVDA representative, will call the Chair and discuss.

November 11 will be the deadline for the survey and the drawing.

Survey will be announced in the Gazette, and listed on the town website. Paper copies will be available at the Town Clerk's office and at The Corner Stop Inn Shop.

We discussed how to write a town plan. First we determine what sections are required to include in a plan. Then we review the surveys that come in. We can also review other town plans to see the variations and commonalities.

Jesse will send us Brownington's town plan to review.

Next meeting we will discuss how to write the plan.
