Sorry - I see that this was not sent until now. My apologies.

Minutes 2/22

Call to order 4:31

Martha moved to approve minutes from last month's meeting. Everyone agreed. Minutes approved.

Reviewed demographic report and survey results. Martha will ask school for total enrollment data for last 10 years and eligibility for lunch program. Suzanna will ask Debbie about new homes from Listers. It was determined that the survey lumped cell and internet service together but the survey results reveal a strong desire not to alter landscape.

Jesse will send us a document to review regarding goals and strategies in advance of our next meeting. Be prepared to discuss.

Information Meeting date: Thursday March 28, 6:00 at the library. This is an informational gathering for an overview of the town plan. Town Clerk will post.

We will be meeting on the 2nd and 4th Wednesdays of each month starting at 4:30 and going until 6:00.

Adjourned 5:23.
