The Town audit will be accomplished with Judy Clifford mentoring Marie Blodgett through her first-year end Audit. Willy and Marie will do monthly auditing throughout the year to ease the pressure of doing an entire year at once.

Road Report: The Watson Road Culvert replacement is occurring the week of September 25, 2023. There was concern expressed about the Class 4 County Road. Rodney Hooker has expressed concern for the water that crosses Rte. 15 and washes out his driveway. Another driveway off the Cahoon Farm Road washes out, partially due to the road. The town does not take responsibility for driveway conditions beyond our right of way.

Town Clerk's Report: Debbie reported that the FEMA Damage Inventory Report has been completed. A meeting with FEMA representatives Monday September 18, 2023 went very well. Bob Bell took representatives on a site visit to Stannard Mountain Road. The Planning Commission has completed their survey. It will be advertised on our Town Website and on Front Porch Forum. Debbie also discussed her positive experiences at the VLCT Town Clerk workshops.

Bills were signed.

The meeting adjourned at 7:04 pm
